

# Budget Chair, MLK Commission

---

*Anthony T. Wuart, MA, MBA, Ph.D., is a Medical Sociologist by training. He is currently Professor of Sociology and Director of Bluefield State College (BSC) Minority Health Institute. BSC Minority Health Institute is a leader of health and health care promotion among minority Appalachian citizens. The vision of the institute is to strengthen and improve access to health care through education, resource development, research, and community partnership. As director of BSC Minority Health Institute, Dr. Wuart has brought in more than \$1.5M in research and outreach projects supporting efforts to reduce the burdens of health disparities among West Virginia's minority subpopulations. He is a 2005 recipient of minority Access Inc.'s Role Model Faculty Research Award for Exemplary Achievements in Research Worthy of Emulation*
