36th ANNUAL POSTER CONTEST

The Annual Poster Competition is designed to celebrate the life and dream of Martin Luther King, Jr. and to reaffirm the American ideals of freedom, justice and opportunity for all.

All work must be original and not created from the internet. The poster must focus on this famous quotation from Dr. Martin Luther King, Jr. ***"Love yourself, and that means rational and healthy self-interest. You are commanded to do that. That's the length of life. Then follow that: Love your neighbor as you love yourself. You are commanded to do that. That's the breadth of life."***
